autonomy and leadership are developed and deepened

The meeting fulfilled the two main expectations of participants: it went deeper the issues already treated and ensured new visits to schools.

The agenda was quite full of events, but all of them were interesting and according to my expectations.

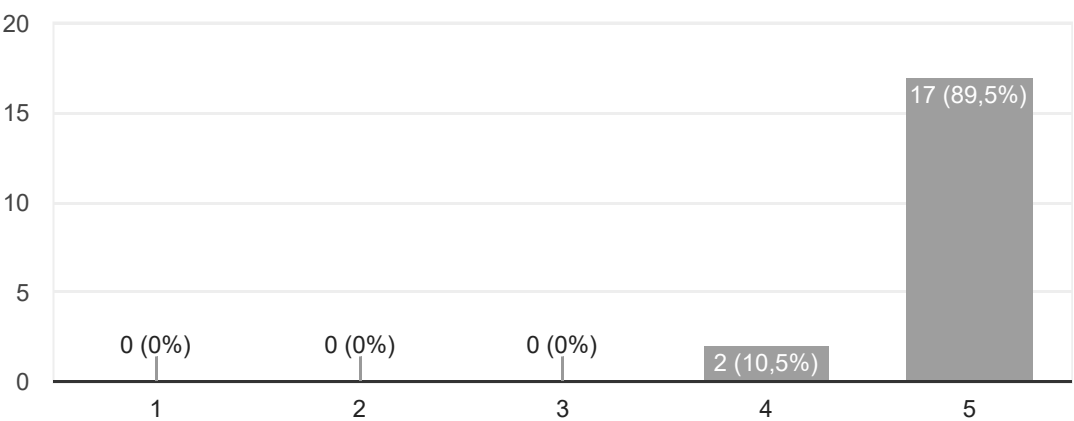

Very well organized. The timetable was very realistic and fully accomplished. Visits, partners etc very well chosen.

everyone got the necessary informations

- I hope so
- Logistics was fantastic. A bus for ourselves. Dinners and lunches in fantastic places.
- Slightly rushed at times. Not always enough time between daily activities
- everything was well planned

3. Results

Achievement of aims and objectives planned for the training event?

This can be better: receive and give feedback

I think all of us can express without any problem and we try to understand the difference between countries and was of working.

Total freedom to express different points of view

8. A positive aspect or aspects

16 respostas

Between visits and group work

the heterogeneous group

Different schools and educational projects

Sharing experiences

New experiences, new point of view

Contact with a different educational reality and sharing of experiences

The most important positive aspect was the contact with innovative ways of learning and organizing classes in the schools we visited.

Another point was the possibility of sharing experiences and discussing them with partners and teachers from those schools.

The time to reflexion on the last day was very useful to make us think about possible changes to improve our school

Such a fantastic, diverse and passionate team of people to work with.

A really positive aspect is the relationship between all the participants, over the nationality all of us try to share experiences and ways of work.

knowledge of different types of school through the stories of the protagonists of innovation

Sharing of information and knowledge.

Strong support of logistics; timetable very well organized; school visits and partners very well chosen

To know the reality of the educational system in the Netherlands.

An excellent mix of educational establishment for the visits. Giving a very positive view of education in the Netherlands

knowledge of the school system through visits and seminars

I have learnt a lot!! And I think that the organisation was well planned and we were focus on the topic . For me it has been a good experience!! I would highlight the work collaboration and the tolerance to speak. I was so comfortabe. A lot of thanks

positive feeling of sharing a common experience, interpersonal relationship, stimulous to bring some positive change in every paricipants school

9. One aspect or aspects to improve

- a free part of the one day

maybe we can use more different workmethods

capacity to listen when a portuguese speak.

More time to ask and give explanations.

Systematized and critical presentation of the different education systems of partner countries

I think the project is in a good progress, so I wouldn't point out any aspects to improve.

None that I can think of.

direct knowledge of the stakeholder's point of view

Greater collaborative work between partners beyond training events.
